VISION MISSION VALUES

Welcome to church! We want to help you chart the best course forward for you to come to know Jesus, grow in Him and share Him with others. This guide is designed to help you understand the basic fundamental things we do as a church and to help you put church on your personal calendar.

The Biblical examples of the type of church we want to become are found in the book of Acts. We want to become the early church as it's described in Acts 2 & Acts 13. Based on these Bible passages, we express our vision like this:

Our Vision: to truly be a church that embodies the fullness of Christ in our communities.

We believe that living out Acts 2 & 13 will make us more like Jesus and create a seismic shift in our communities. To make that happen, we have to live out our mission. We express our mission like this:

Our Mission: is to turn ordinary people into fearless world-changing disciple-makers.

Healthy Jesus-centered disciples will change the world. We believe that we can be Jesus-centered disciples in our time. Our Values provide the building blocks for forming disciples. We express our 10 values in these phrases:

Our values determine everything we do and don't do. You can see the values in more detail by clicking [here](#) or typing in this link: www.stowalliance.org/pages/our-vision. This means that when we have the opportunity to do things that are in line with our values we go for it. Yet, this also means that when we come across things that don't fit our values we are free to say no. We are all in on becoming a church that makes disciples.

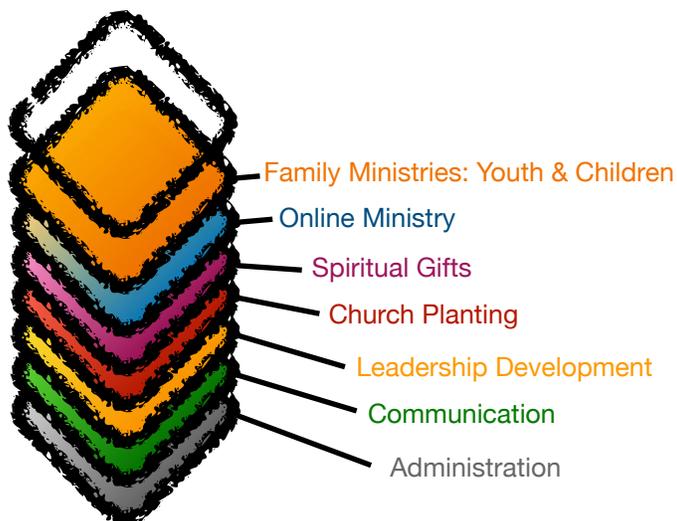

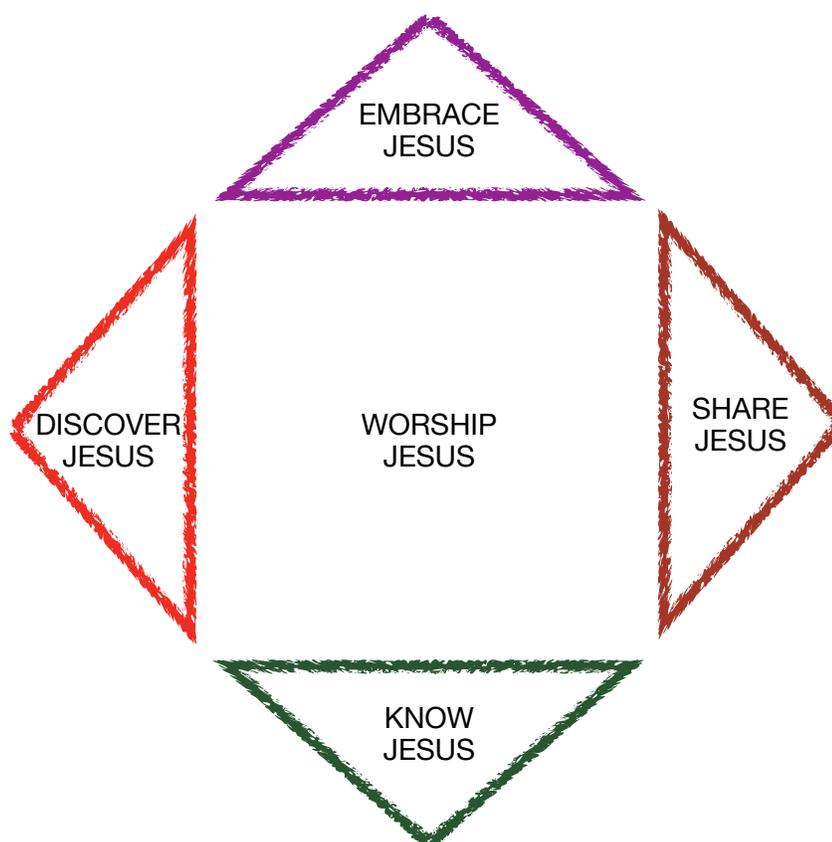

Figuring out how you can become this type of disciple is what the rest of this guide is all about. We have a variety of steps you can take that will help you in becoming a fearless world-changing disciple-maker.

Our Values

Explicit Faith
Relentless Prayer
Scripture Devoted
Worldwide Engagement
Sacrificial Generosity
Invitational Storytelling
Holistic Redemption
Integrated Leadership Development
Multigenerational Impact
Exuberant Celebration

OUR MODEL

The picture we use to describe the church model we use is called the 'Town Square'. It looks like this:

Below the Town Square are supporting foundation layers represented by these themes and ministries.

There are 5 components to the Town Square. One is the central gathering of the church for Worship. We do that on Sunday mornings and on other special occasions. From that gathering the church is always moving in an outward direction. These outward expressions are represented in different environments and initiatives.

Discovering Jesus is represented by the Alpha Course. Knowing Jesus is represented by Rooted, where you learn the basics of discipleship. Embracing Jesus is represented by studying the Bible in a Next Level Course. Sharing Jesus is represented by serving in local and global missions initiatives.

This is the way we're structured. So now to the big question: **What's this mean for you?** In short, "calendar church". Use the remaining sections to help you take intentional planning steps to make the Town Square come to life. We believe that if you give engaged time to this process you will see your life and the lives of your coworkers, friends, and community change.

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.
- Hebrews 10:24-25

PRAISE & WORSHIP

The church is the only place that gathers all the people from all the different areas of life and commerce on a weekly basis.

It's special to be together with God and each other. We believe that being together in community and seeking God is more important than ever.

Corporate praise & worship is an essential step for both Christians and non-Christians (1 Cor 14:25) to take. So let's take that step together.

Alpha runs twice a year (September & January) and runs for 11 weeks. To be part of Alpha, simply come. You may also want to bring some friends with you. We like to ask everyone to be thinking about 3 people they can invite to take a step towards faith by attending the Alpha Course. So, who are your 3? Prayerfully ask God to show you who you will invite to try Alpha.

PRESCHOOL

Stow Alliance Preschool is a ministry of Stow Alliance. We minister to children ages 3-5, as well as their families. We strive to provide a learning environment that allows all children to learn through a variety of experiences such as: creative arts, literacy, socio-dramatic, gross motor, science and several other ways they can explore the environment around them. We encourage children to reach their educational potential and have the readiness skills needed for Kindergarten. Register [here](https://www.stowalliance.org/programs/stow-alliance-preschool) or by typing in this link: www.stowalliance.org/programs/stow-alliance-preschool.

The Bible is presented in the classroom every day through stories, creative art projects, songs, dramatic play, and sometimes we have the children retell the story. The Gospel message is presented throughout the year and with special emphasis at Christmas and Easter. The children are given the time and encouragement to instill a love of Jesus and a love of learning that will continue on throughout their life.

Families of preschool students, MOPS and church families are always invited to attend church at Stow Alliance and to join in all the special events throughout the school year. You are also invited to the Community Picnic (Fall), Family Craft Day (Christmas time), Spring Family Day (Easter time) and Summer Ministry (June).

If your kids and/or grandkids are already grown, we encourage you to look around your neighborhood for families you can tell about the preschool. Use the box below to write down their names and when you will invite them to explore Stow Alliance Preschool.

Once you complete Rooted, your group will have the option to continue to live out this discipleship lifestyle as a Life Group.

Rooted is offered up to 3 times a year. We call them semesters.

MISSIONS

Our faith is not meant for us alone. It's also meant to have an impact on the church body and the world. We want you to choose one way to serve the church and one way to serve in the community. Your community service may be a natural part of your **Rooted** group adopting a specific mission, or you may opt to do an additional ministry of your choosing or interest. The options that we believe are family friendly are marked with an 'F'.

Where are you serving in the community?

Visit this [page](#) for a list of our partner ministries or type in this link: <https://www.stowalliance.org/programs/local-global-missions>.

If you're interested in Church Planting, please see one of our pastors to talk about what's on your heart.

Where are you serving in the church?

Serving in the church is a normal part of being in a church family. We have a wide range of options. To start serving, talk to one of the pastors and they will connect you to the ministry leader so you can get started exploring which ministry is the best fit for your spiritual gifts.
